

Welcome to Church

We are glad you chose to worship with us today here at Plain Community Church and trust you will encounter a genuine sense of welcome and find the entire worship experience to be meaningful. If you are new to PCC or haven't been in a long time, please fill out the Visitor Card in the Pew Rack. First time visitors are also encouraged to go to the Welcome Center in the Foyer for more information about our fellowship and a special gift from the church. Prayer Request Cards, Volunteer Cards (*a great way to get connected at PCC*) and giving envelopes can also be found in the pew racks.

- Praise the Lord that Addie's scans were once again clear. Josh, Amy and Rich and Cindy Cram rejoice and thank you for your prayers this week.
- Continue to pray for those who have suffered from hurricanes Harvey, Irma, and Maria; the violence in Las Vegas, and now the wildfires in northern California. Pray that sad and broken spirits in our nation may receive hope and comfort, may burdens be made lighter.
- Praise God for the ways he is moving within our congregation and so many are stepping out in faith and are participating in the Emotionally Healthy Spirituality Course.
- Earl Marcellus would appreciate prayers for strength for his cancer treatment. Pray for God's grace to be with Earl. "Your kingdom come, your will be done, on earth as it is in heaven." Matt 6:10
- Local resident, Earl Petit suffered a serious traumatic injury. He is currently in a rehab facility and making remarkable progress. Praise God he was able to leave the rehab facility for 5 hours to be at his son's home. Please keep Earl & Anita in your prayers. as the time nears for him to be again at home. A Meal Coordinator and Meal Calendar have been established. We will share the information when it is active.
- Donnie Sauer's mother's diagnosis has been changed and much improved. Praise God! Please do continue to pray for healing as there are still health issues.
- Lift Niek and Teranne in your prayers as they have returned home to Isreal and their ministry and studies there. Praise God for the announcement of a new baby and grandbaby for Mike and Marsha McComas, too!
- From Lois Oberg, "Dear friends, I would appreciate prayer. I am experiencing some side effects from my daily Chemotherapy for my Leukemia. We are in the process of adjusting dosage. Pray that the side effects do not recur and that I remain in remission with this lower dose of medication. I also ask God's peace as we experience these bumps of the cancer journey."
- Praise God that the gentlemen in Iowa who had left a suicide note on his facebook profile - Amanda's {Scott} small town - was found. Pray that he is getting the medical, emotional and spiritual help he needs.
