

## Welcome to Church

We are glad you chose to worship with us today here at Plain Community Church and trust you will encounter a genuine sense of welcome and find the entire worship experience to be meaningful. If you are new to PCC or haven't been in a long time, please fill out the Visitor Card in the Pew Rack. First time visitors are also encouraged to go to the Welcome Center in the Foyer for more information about our fellowship and a special gift from the church. Prayer Request Cards, Volunteer Cards (*a great way to get connected at PCC*) and giving envelopes can also be found in the pew racks.

### *On the Prayer Chain this week:*

- Congratulations to Bill and Kathy Gibbs on the birth of another grandson. Proud parents are Halyley and Arturo Rios. Praise God for a healthy baby and mommy! (I apologize this is about two weeks late. I kept meaning to add this and then I would forget!!)
- Please pray for Bjorn and Cindi Bostrom (Cyndy Bostrom's son and daughter-in-law) and their new son Theo. Mom and baby are doing okay. Please continue to pray for this family as they adjust to life with a newborn.
- Praise the Lord that Addie's scans were once again clear. Josh, Amy and Rich and Cindy Cram rejoice and thank you for your prayers.
- Continue to pray for those who have suffered from hurricanes, violence in Las Vegas, and wildfires. Pray that sad and broken spirits in our nation may receive hope and comfort, may burdens be made lighter.
- Earl Marcellus would appreciate prayers for strength for his cancer treatment. Pray for God's grace to be with Earl. "Your kingdom come, your will be done, on earth as it is in heaven." Matt 6:10
- Local resident, Earl Petit who suffered a serious traumatic injury is now at home. A Meal Coordinator and Meal Calendar have been established. We will share the information when it is available.
- Donnie Sauer's mother's diagnosis has been changed and much improved. Praise God! Please do continue to pray for healing as there are still health issues.
- Lift Niek and Teranne in your prayers as they have returned home to Isreal and their ministry and studies there. Praise God for the announcement of a new baby and grandbaby for Mike and Marsha McComas, too!
- From Lois Oberg, "Dear friends, I would appreciate prayer. I am experiencing some side effects from my daily Chemotherapy for my Leukemia. We are in the process of adjusting dosage. Pray that the side effects do not recur and that I remain in remission with this lower dose of medication. I also ask God's peace as we experience these bumps of the cancer journey.
- Pray for Pastor Jon, our Elders, Deacons and Staff—all those in Leadership, as they are working through discerning the Will of God in preparing a Budget for 2018. Pray that they will be both visionary and good stewards of the resources God provides. Also, begin praying individually how your household can contribute to the work of God at PCC in 2018.
