

Welcome to Church

We are glad you chose to worship with us today here at Plain Community Church and trust you will encounter a genuine sense of welcome and find the entire worship experience to be meaningful. If you are new to PCC or haven't been in a long time, please fill out the Visitor Card in the Pew Rack. First time visitors are also encouraged to go to the Welcome Center in the Foyer for more information about our fellowship and a special gift from the church. Prayer Request Cards, Volunteer Cards (*a great way to get connected at PCC*) and giving envelopes can also be found in the pew racks.

On the Prayer Chain this week:

- Pastor Jon's father, Jerry Johnson, fell and broke the head of his femur in the hip socket and had surgery on Thursday. Pastor Jon's half brother is in Florida with his family, where Jeremiah's wife's mother is not expected to live much longer. Please continue to pray for the Johnson families in this time of urgent health complications.
- Frank Cummings has a bad infection in his finger, Test results came back inconclusive, but Drs are optimistic that healing is taking place now in Frank's finger. Daughter Rhetta has 2 fingers that are slightly infected but they are also looking and feeling better! Thanks for your prayers!!! The Cummings family
- Please prayer for Zelda Holgate's cousin, Gardner Fox. He has been in ICU at Harborview for over a week with a reaction to coumadin that caused a brain bleed. He is baffling the doctors, as he should be recovering, but isn't. He and his wife own a vacation home in Alpine Acres.
- Praise the Lord that Addie's scans were once again clear. Josh, Amy and Rich and Cindy Cram rejoice and thank you for your prayers.
- Continue to pray for those who have suffered from hurricanes, violence in Las Vegas, and wildfires. Pray that sad and broken spirits in our nation may receive hope and comfort, may burdens be made lighter.
- Earl Marcellus would appreciate prayers for strength for his cancer treatment. Pray for God's grace to be with Earl. "Your kingdom come, your will be done, on earth as it is in heaven." Matt 6:10
- Local resident, Earl Petit who suffered a serious traumatic injury is now at home. Currently a daughter and family is staying with them until December. A meal calendar may be activated in December. A bigger need may be keeping up with snow removal during the winter.
- From Lois Oberg, "Dear friends, I would appreciate prayer. I am experiencing some side effects from my daily Chemotherapy for my Leukemia. We are in the process of adjusting dosage. Pray that the side effects do not recur and that I remain in remission with this lower dose of medication. I also ask God's peace as we experience these bumps of the cancer journey.
- Pray for Pastor Jon, our Elders, Deacons and Staff—all those in Leadership, as they are working through discerning the Will of God in preparing a Budget for 2018. Pray that they will be both visionary and good stewards of the resources God provides. Also, begin praying individually how your household can contribute to the work of God at PCC in 2018.
