

## Welcome to Church

We are glad you chose to worship with us today here at Plain Community Church and trust you will encounter a genuine sense of welcome and find the entire worship experience to be meaningful. If you are new to PCC or haven't been in a long time, please fill out the Visitor Card in the Pew Rack. First time visitors are also encouraged to go to the Welcome Center in the Foyer for more information about our fellowship and a special gift from the church. Prayer Request Cards, Volunteer Cards (*a great way to get connected at PCC*) and giving envelopes can also be found in the pew racks.

### On the Prayer Chain this week:

- Praise and rejoice with Pastor Jon and Tami in the marriage of their daughter. Pray for the newly-weds as they settle into their new home and life together.
- Lois Oberg's will be interrupting taking the medication in order for the pleural effusion to resolve and then start on a new medication after that. She will have tests this week to determine if she's remained in remission through the lowering of doses and interruption in treatment. The corporate prayer time for her last Sunday meant so much to her, "To be lifted up by so many that care for me was a sacred moment."
- Jenn Saugen, fell and broke 3 ribs. Please pray for patience with herself and that she will take it easy, while her body heals.
- Jim and Leah Cook's daughter has requested prayer for 5th grader Aiden, who is at Children's Hospital with a brain tumor. Please pray that the tumor is benign. Pray that Aiden and his parents will know the comfort and peace of God as the doctors diagnose and treat Aiden.
- Please pray for the Johnson's extended families with a variety of health complications. May all seek the Lord for comfort and hope.
- Mary Rose's sister's husband has just been diagnosed with Stage 4 Brain Cancer. Pray for Leroy and Linda Wilson as they try to grasp at what this will mean. Pray for a sense of God's peace and strength in the midst of heartache.
- Earl Marcellus would appreciate prayers for strength for his cancer treatment. Pray for God's grace to be with Earl. He is currently in Southern California for treatment. "Your kingdom come, your will be done, on earth as it is in heaven." Matt 6:10.
- Local resident, Earl Petit who suffered a serious traumatic injury is now at home. Currently a daughter and family is staying with them until December. A meal calendar may be activated at the beginning of the new year. Please keep Earl and Anita in your prayers as they continue to adjust to their new reality.
- Pray that we as a church would be mindful of those in our community who don't have the resources they need. May God give us wisdom in how we both love them and bear witness to our relationship with a God who provides. (Romans 12:9-16)
- Pray for Pastor Jon, our Elders, Deacons and Staff—all those in Leadership, as they are working through discerning the Will of God in preparing a Budget for 2018. Pray that they will be both visionary and good stewards of the resources God provides. Also, begin praying individually how your household can contribute to the work of God at PCC in 2018.
- Pray for the Nominating Committee, that they are led by the Holy Spirit to those that God is calling to be leaders in our church. May His Spirit be working in the hearts of those he is calling, preparing them for leading and loving His people at PCC.
