

Greetings PCC Congregation!

This past Sunday I preached that Jesus did not leave us as orphans. I started talking about the gift of the Holy Spirit. It is my intention to recap this sermon next Sunday in a brief dynamic way and then welcome members of the church body to actively be involved in this sermon as one may be led by the Spirit to share applications or thoughts regarding the current sermon. It should be a fun! Below is a recap of the scriptures I shared during the sermon (or made reference too) as well as some other scriptures for study. At the very end of the documents are some questions to ponder for next week

I trust that this will be blessed experience for us all and I look forward to hearing what God may give you regarding these texts.

The Lord Bless you as you study and pray!

Pastor Jon
