

60 MINUTE PRAYER GUIDE: PRAYING FOR OUR AREA

Spend an hour praying for our community

You'll need: Pen, Paper, your imagination

Imagine that Jesus is physically present with you right now and asks you to step outside and show him around Plain, Lake Wenatchee, Merritt, Leavenworth ...

- Imagine yourself walking through your neighborhood. What do you notice about the homes and the people? Jesus wants to stop and speak to those that are often overlooked. Who do you introduce Jesus to? **Think of the people in our area that are often overlooked by others. Pray for these people now.**
- As you continue walking, you take Jesus to the places where people need healing – your local doctor's office, hospital or clinic. Who would Jesus visit here? What would He do? **Think of the people you know who need healing – emotional or physical. Pray for these people now.**
- You walk with Jesus to the places where people serve others, to the local schools, local law enforcement, the fire department, local businesses, the Pantry, others that serve the oppressed and disenfranchised. Where does Jesus interact? How does He encourage them? **Think of the people who work for and serve others. Pray for these people now.**
- After walking around our community, you introduce Jesus to your friends and family; those you live, work, and socialize with. What do you and your friends talk about with Jesus? How does your family interact with Him? **Think of your friends and family – those who know Jesus and those who don't. Pray for these people now.**
- As you end your walk with Jesus, He asks you what you're passionate about in your neighborhood, in this community and the role you play. What is your response? Think about the gifts and skills God has given you. **Ask God how you can use your unique character and nature to serve and transform Plain, Lake Wenatchee or Leavenworth.**
