The weekly congregation is 25-30% retired, 25-30% under 18, and 40-50% ages 30-60. A majority of the employed members work in tourist industries, recreational jobs or local ministries.

Our worship service on Sundays enjoys a mix of praise songs and hymns led by our new worship director along with volunteers. The worship teams vary each week ranging from a full band to a pianist or guitarist. Lyrics and/or pictures are projected on 2 screens and hymnals are available to use.

PCC is mission minded with a generous heart to support local and overseas missions. PCC currently supports 8 missionaries and/or mission organizations.

PCC provides a variety of ministries within the church to disciple believers. We offer Sunday School before our Church service each week for all ages, infants through adults. We currently are using the curriculum, *Answers Bible Curriculum*. We average about 30 each week.

During the church service we offer nursery and children's church for infant thru 6 years old. Nursery averages 2-4 kids/week and children's church averages 10-15/week.

PCC main outreach to the Plain community is through The Pantry. The Pantry provides food assistance to an average of 25 households per week and the selling of wholesale foods. The Pantry's vision is to be a doorway to building relationships with our community outside the walls of Plain Community Church.

PCC organizes a VBS during the summer for church, local and guest families. PCC averages 90-100 kids attending VBS with 40 congregational and community volunteers. It is a joyous week of everyone working together to love on children and share Jesus.
